

## ABOUT US

---

Reasonable Service is a faith based 501c3 non-profit organization designed to assist and meet the needs of hurting humanity who face life controlling problems and that are insecure. Many of those we serve throughout Hillsborough County experience severe challenges such as homelessness and various forms of abuse. Another target population that we assist are At-Risk youth.

## ABOUT OUR CEO/FOUNDER

---

Dr Donna Rogers founded Extended Hands/ Reasonable Service on 2005.

Reasonable Service began in 2005 as an extension of the original United Harvest Distribution outreach program which originated in 1992 in Decatur, Illinois. Dr. Donna Rogers founded this not-for-profit organization after traveling to the continent of Africa.

As a result of this mission, she experienced a heartfelt compassion and growing awareness of the plight of mankind. Reasonable Service is an extension of the Father's hand, touching hearts and changing lives. The teaching of Jesus Christ, "For ye have the poor always with you," is a key motivating scripture of the organization.
